

The background of the top half of the image is a yellow-orange topographic map. It features white contour lines, dashed lines with arrows indicating a path, and small crosshair symbols. The title 'CAMP KRU' is rendered in a large, bold, black font where the letters are shaped like gnarled tree trunks. The letters are arranged in two rows: 'CAMP' on top and 'KRU' below it.

CAMP KRU

The bottom half of the image features a dark green, textured illustration of a landscape. It shows a calm lake in the foreground, reflecting the surrounding forested mountains and a small cabin on the right. The sky above the mountains is a solid yellow-orange color, matching the topographic map background.

**YOUR GUIDE TO THE BEST
SUMMER CAMP ADVENTURE EVER**

"Indoors, we tend to use only two senses, our eyes and our ears. Outside is where we can smell the flowers, taste the fresh air, look at the changing colors of the trees, hear the birds singing and feel the breeze on our skin. And when we open up our senses, we begin to connect to the natural world."

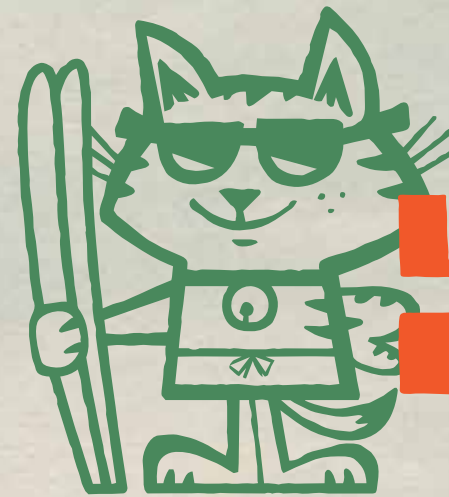

— Dr. Qing Li (excerpt from Forest Bathing)
