# A MESSAGE FROM THE PRINCIPAL

"As we wrap another season of early morning prep, late nights, and controlled chaos, I just want to say:  
**THANK YOU.**

It's been 20 years since we first opened our doors. I was just a kid with big dreams, sharp knives, and maybe one too many shots of tequila (or was it Jameson back then?). Kru has come further than I could have ever imagined.

Thank you to the crew, past and present, who have held it down all these years.

And to our esteemed guests — whether you are a familiar face from J Street or joining us for the first time, we say :  
Thank you, and welcome to KRU!

No summer break here—just service, seven days a week.

See you at lineup."
